

November 17, 2021

Dear Hope Academy Parent(s),

I hope you are doing well. Recently, you received the Hope Academy Distance Learning Plan. The purpose of the plan is to outline our processes/procedures regarding virtual learning instruction for students at Hope Academy. Our priority at Hope Academy is to effectively educate our students, which we believe, based on data, works best during face-to-face instruction.

Nevertheless, we recognize the current challenges posed by the Covid-19 pandemic and always act out of an abundance of caution and safety for all. **For this reason, we will provide virtual instruction for all K-8 students during the week of November 29<sup>th</sup>. Students will receive virtual instruction from November 29-December 3. Students will return to Hope Academy for face-to-face learning on December 6, 2021.** All students during this time will work in Google classroom to receive academic lessons.

- We will continue to support the teaching and learning process in these ways:
- If a student needs a device for learning, we will work to provide a device for him/her. Please contact the school (313) 934-0054 regarding the need.
- All K-8 students will have access to academic work packets to reinforce core content learning. The academic packets will be available at the school for pick up. If you are unable to pick up an academic packet, please contact the school (313) 934-0054.
- If there are any questions regarding additional needs, please contact the school (313) 934-0054 for additional support.

**Thank you for your commitment to Hope Academy.**

**Yours Truly,**

**Mr. Fountain**

**Superintendent, Hope Academy**
