Where Children Are Our Priority

PARENTS NEWSLETTER

April /01// Issue Number III

It's time to unplug! Spring is here! It is time to promote outdoor activities in exchange for less screen time. It is not always easy to unplug, but unplugging from digital devices leads to happier and healthier and more focused children. Let's work together to promote balance for our students.

Uniforms!

As the weather changes, please make sure that your child comes to school in uniform and with the appropriate shoes for safe playing/recess outside. Students must wear closed-toe shoes. No sandals or Crocs. Students must be in full uniform unless otherwise noted.

Maintaining Academics

We are now entering the time of year where the weather gets nice and students have a tougher time than usual staying focused on their academic responsibilities. Please continue to stress to your child the importance of taking responsibility for their academic achievement. Students should report to school daily, on time, and consistently. They are required to attend school 180.
